WELCOME TO BUFLA NEWSLETTER

Introductory note from the publishing committee

To keep our members updated with the activities of BUFLA and other important news relating to BUFLA we felt the need to have a Newsletter.

We held an AC meeting on September 5, 2021 which was attended by President Mr. Shiper Choudhury, Vice President Mr Mahbubur Rahman Shaheen, General Secretary Mr Ziaul Islam and Past President Mr Nazrul Islam.

In that meeting it was suggested that we bring out a Newsletter for the benefit of our community members. We therefore decided that we will bring out a Newsletter every quarter. We will be bringing out this Newsletter in January, April, July, & October. The first issue is now being brought out in October 2021. As we go along we will continue to improve our layout & contents etc as per suggestions received from you from time to time.

For this we will need the cooperation and participation of all our esteemed members. We therefore invite your suggestions and contribution towards this. Since we will have page restrictions we would mostly restrict our content to matters relating to and of interest to BUFLA

Please send your suggestions & contributions to buflanews@gmail.com
